Agenda of the 4th International Conference on Sustainable Islamic Business and Finance

“Building a Prosperous Future: Aligning Islamic Values with
Sustainable Development Goals”

27-28 November 2024

Crowne Plaza Hotel, Kingdom of Bahrain

Islamic business, in general, is a rapidly growing field that aims to align profit-making with ethical and environmental principles rooted in Islamic teachings. It's not just about avoiding interest-based transactions, but about fostering a holistic approach that benefits individuals, communities, and the planet. Sustainable Islamic business and finance offer a unique approach that aligns with the growing demand for ethical, responsible, and sustainable economic practices. It promotes resource optimization, shared prosperity, risk mitigation, trust-building, and innovation, making it a relevant and impactful model for the future of business. The theme is “Building a Prosperous Future: Aligning Islamic Values with Sustainable Development Goals.”
